

Skincare + Savasana Facial

The ultimate skin experience paired with a guided deep relaxation/meditation:

***Dermaplaning, Enzyme/Chemical Peel, Extraction, Brows, Masking, & Massage.

\$110 up to 75 min

Microneedling

Eclipse Elite automated micropen results may include stimulation of new collagen and elastin to produce softer, firmer skin and can reduce the appearance of wrinkles, acne scars & textural issues.

\$250 per tx or 3 for \$700

Microblading

A manual method of implanting pigment in hair-like strokes into the epidermis to create a thicker natural looking full brow. Results are achieved with a hand-held manual blade.

\$400 for blading **\$450** with shading

The necessary 4-week touchup is included

I utilize my artistic eye and your facial structure to create the most natural brow.

***Dermaplaning is a method of manual exfoliation by use of a special instrument. By removing dead skin cells, oil buildup, and vellus hair this treatment is a favorite among all.

***As the Eclipse MicroPen is applied to the skin, hundreds of superficial micro-channels are created every few seconds, Epidermal Collagen Induction Therapy (ECIT) can stimulate the skin's natural ability to heal itself. I have to say, I love this treatment.
